

Krassimir Gandev – 70 JT 2016

On 21st March 2016 the Bulgarian maestro IM Krassimir Gandev will celebrate his 70th Anniversary. The website for Chess Composition KoBulChess.com announces the “[Krassimir Gandev – 70](#)” JT 2016.

Theme:

Fairy problems type #, H#, S#, HS#, =, H=, S=, HS=, ==, H=, S=, HS== in 2-4 moves and Series or Parry Series in 2-8 moves with **Hurdle Colour Changing pieces**. Other fairy pieces or conditions are not allowed.

Please indicate the used computer check program and its version.

Definitions:

Hurdle colour changing piece (Lion, Grasshopper, Kangaroo, Dolphin etc.): if a hurdle colour changing piece moves over a hurdle that is not a king, the colour of the hurdle is changed.

The Hurdle colour changing pieces are known as **Andernach pieces**. Some examples:

Andernach Grasshopper: Like a normal Grasshopper (moves along Queen-lines over another unit of either colour to the square immediately beyond that unit) but it changes colour of the piece it jumps over (except the Kings and the neutral pieces).

Andernach Kangaroo: As an Andernach Grasshopper but requiring 2 (not necessarily adjacent) hurdles on the same line, and landing on the square immediately beyond the second hurdle, changing colour of the pieces it jumps over (except the Kings and the neutral pieces).

Andernach Dolphin = Andernach Grasshopper + Andernach Kangaroo

Please send your entries by email: gandev70@abv.bg

Deadline: 21.03.2016

Judge: Krassimir Gandev

The Award will be published on KoBulChess.com till 31.03.2016.
